ABOUT ME

A highly motivated and results-oriented student pursuing a Diploma in Engineering on Computer Science. Possesses strong analytical and problem-solving skills, with a passion for technology and its applications. Eager to leverage academic knowledge and practical skills in a challenging and fast-paced environment.

EXPERIENCE

Graphics Designer

2022-2023

Amin Art Publicity

As a Part-Time Graphic Designer at Amin Art for 1 year I designed creative graphic elements for various marketing materials, including banners, brochures, social media graphics, and website banners. I collaborated closely with clients to understand their design needs and preferences, while utilizing design software like Adobe Photoshop and Illustrator to produce high-quality visuals that ensured brand consistency across all marketing materials.

Intern, Operatinos

2024-Running

Tent Communications

At Tent Communications, I supported operations through document handling, scheduling, and internal communications. I also contributed to social media management, HR, and finance activities, enhancing overall efficiency. Additionally, I managed website updates using my proficiency in HTML and CSS, along with my foundational knowledge of JavaScript. I am currently expanding my expertise in JavaScript to strengthen my web development skills further.

EDUCATION

ABC Kindergarten and High School

2021

Secondary School Certificate

Islami Bank Institute of Technology, Sylhet.

(Expected 2025)

Diploma in Engineering on
Computer Science (6th semester)
