

MOHAMMAD MURSALIN

ABOUT ME

I'm a final-year Diploma student in Computer Science and Technology with a strong passion for frontend development. I specialize in building clean, responsive, and user-friendly websites using HTML, CSS, Bootstrap, and JavaScript. With a keen eye for design and attention to detail, I aim to create seamless digital experiences that not only look great but perform flawlessly. I'm eager to contribute to a forward-thinking team and continue growing as a frontend developer.
